GALA DINNER

What You Can Expect From WAUPS Bali 2024

World Academy of Ultrasonic Piezoelectric Bone Surgery (WAUPS) is the first ultrasonic piezoelectric international academy. They share the latest trends and information about piezo bone surgery and the field of application in autologous growth factor, and discuss development for the future. The WAUPS conference held annually in various locations around world. Following the success of the 2023 in Egypt, we are excited to invite you to Bali in 2024. This 2 day conference and 1 day workshop will be led by international speakers in implant dentistry. Please secure your spot now if you find the class topic interesting.
